

# GIS SPECIALIST

**Business function:** Project Management Office

**Reports to:** Head of PMO

**Location:** Kings Hill, West Malling, Kent

**Salary:** Up to £250 day rate

**Terms:** 12-week Contract, 5 days per week

## TRULY FIBRE, TRULY FAST

We're expanding our team as we transform broadband in Kent and beyond. If you'd like to join us on our exciting journey, we would love to hear from you.

Call Flow has an established Fibre To The Cabinet (FTTC) broadband business in four counties, and has recently launched Trooli, which builds full fibre optic networks to homes and businesses using Fibre To The Premises (FTTP) technology. Trooli delivers the highest speed and highest quality broadband services in the country – modern, future-proof and fit for the digital age.

## THE ROLE

We're a small company with a very exciting future. This opening provides an exceptional opportunity for an experienced and dynamic GIS Specialist who can translate network infrastructure designs into a GIS environment and vice versa, responsible for administering and maintaining a GIS and planning database system.

Key Responsibilities are:

- Providing analysis of data from various sources using GIS
- Strategically planning our network using GIS data
- Writing queries to extract and modify data.
- Ensuring that there are consistent standards within our business for design and as-built documents
- Devising user friendly dashboards for easy access to maps.
- Training users to get the maximum benefit from GIS tools
- Maintaining the inventory data in our centralised system
- Maintenance of OS premises data files.
- Ensuring GIS data is up to date and consistent across other integrated systems
- Ensuring GIS and network asset data is complete, current and stored appropriately
- Administrative responsibilities on GIS and network asset system
- Creating management information from GIS and network asset system to support the Planning, Build and Senior Management team
- Creating innovative ways to report upon GIS and network asset system
- Staying up to date or abreast with the latest developments in the GIS field
- Providing support in the development of a work plan for complex planning projects

## Your experience

A degree would be advantageous, and you will have at least four years' experience a GIS Specialist within a Telecoms Industry.

## Your skills and personal attributes

- High analytical thinking to effectively analyse information and databases
- Good oral and written communication and interpersonal skills to effectively communicate with stakeholders across the business
- Current working knowledge of GIS, preferably ArcGIS Desktop
- Current working knowledge of network asset management tools, preferably APX
- Expert knowledge in operating and configuring GIS and network asset software
- Proven GIS analytical experience which has driven business efficiencies and improvements
- Be familiar and confident with other database software such as MS Access and MS Excel
- An exceptional communicator who can build relationships with ease
- Ability to collaborate with vendors and employees
- Actively seeks opportunities to keep up to date with all new developments in the broadband and GIS space
- A proactive attitude and willingness to adapt to the requirements of a fast-growing organisation
- Ability to influence and engage at all work levels
- An understanding of BT Openreach PIA product will be an advantage.
- Experience of FTTH networks

## Your personal benefits

- Free parking
- Kitchen facilities including free tea and coffee
- Equipment provided
- Friendly working environment
- Flexible working considered

## Our values

- **Integrity:** be transparent and honest with our customers and with each other.
- **Passion:** be excited about what we do.
- **Develop:** invest in each individual.
- **Continual improvement:** work smarter, not harder.
- **Proactive:** take responsibility.
- **Teamwork:** support and collaboration.
- **Quality:** we do what we do well.

If you think you are the person we are looking for, please send your CV to [hr@trooli.com](mailto:hr@trooli.com) prior to the closing date.
