A BIT ABOUT US

Here at Trooli, we're on a mission to banish buffering, vanish video call embarrassment and clear up those "up to" speed claims that give broadband a bad name.

How? By providing our **new, guaranteed, ultrafast, full fibre broadband speeds** to as many communities as possible across Kent, East Sussex and beyond.

We've already got the great network, now we need more **great people** to take us even further.

Think you can help? Here's why you should get in touch ...

- **We're passionate about growth**
We've come a long way in 2 years, from nothing to 50,000+ premises passed, 10 staff to over 100 and are now one of the most respected altnets in the industry – and that's just the start. But it's not just our network, we're passionate about ensuring our employees grow with us too.
- **We're passionate about our people**
At the heart of our culture is a belief that a company should be much more than politics and processes. That doesn't mean these don't exist, but it does mean that our people are the most important part of our business, that life here is that bit more fun and our high staff retention rates are something we're rightly proud of.
- **We're passionate about our customers** – wouldn't it be nice for a broadband network to be independent of Openreach and have complete control of where it builds and the experience our customers receive? Well, that's exactly what Trooli is and with an Excellent Trustpilot rating from our customers, it's clear we're doing something right!

THE ROLE

We're a small company with a very exciting future. You will be an experienced and competent overhead engineer who will be part of an overhead team, responsible for erecting overhead spans using 36f/48F ULW fibre involve at the top of telegraph poles.

THE DAY JOB

- Erect overhead spans (36f/48f ULW) in accordance with job packs
- Mount FP's (our equivalent of CBT's) to the top of telegraph poles using single, double, triple brackets and securing cable to pole in accordance to CP08
- Use of both a MEWP and ladders when mounting/spanning
- Pole dressing (renewing capping/boots where required in accordance with CP08)
- Interpret box-to-box diagrams and maps to understand the routes.
- Carry out rodding and roping to establish whether the planned cable routes are clear and viable
- Complete A55 forms to identify the precise location of any blockages
- Take photographs as required for completing As-built documentation.
- Updating and recording all works on APX (GIS system)
- Carry out risk assessments prior to work.
- Use traffic management as needed in accordance with Chapter 8.

WE'D LIKE TO SPEAK TO YOU IF...

- NSRWA Unit 2 Signage, guarding and light
- NSRWA Unit LA Avoidance of underground apparatus
- IPAF MEWP Mobile Boom 1B
- Knowledge and experience of working to BT Openreach standards and processes for underground safety, working at height and confined spaces
- Current qualification to work on BT Network or equivalent Full clean UK driving license
- Navigate the network. Interpret job packs and fibre allocation tables
- Carry out risk assessments prior to work.
- Work safely using gate guards and signage as appropriate
- Take responsibility for tools issued and vehicle assigned in accordance with Trooli vehicle policy

WE'LL LOVE YOU IF...

- An exceptional communicator who can build relationships with ease. Impeccable organisational and time management skills
- Have meticulous attention to detail and produce highly accurate work
- Good team player but also able to work on their own

AND IN RETURN, YOU'LL GET...

- 25 days paid holiday, plus bank holidays
- Generous life insurance policy
- Company sick pay after qualifying period
- Pension
- Career progression
- Free parking
- Friendly working environment
- Company laptop
- Employee referral scheme
- Cycle to work scheme
- COVID secure and risk assessed employer

OUR VALUES

- **Integrity:** be transparent and honest with our customers and with each other.
- **Passion:** be excited about what we do.
- **Develop:** invest in each individual.
- **Continual improvement:** work smarter, not harder.
- **Proactive:** take responsibility.
- **Teamwork:** support and collaboration.
- **Quality:** we do what we do well.

If you think you are the person we are looking for, please send your CV to alicerose.pitchley@trooli.com prior to the closing date
